Please note:

The Village Livestock ordinance #78 has been amended to prevent the keeping of livestock in the Village of Tekonsha and it is no longer permitted to raise livestock, which includes chickens, for 4H projects inside the village limits. A copy of this and all ordinances may be obtained at the village office.

and to avoid permit issues please contact the office or SAFEbuilt, formally Cornerstone Inspections, @269-729-9244 before starting any construction projects or setting up a pool.

If you witness someone dumping anything besides whats permitted please call the Village Office @ 767-4204. If you have a large item such as chairs, couches, mattresses etc. you will need to call the village office to schedule removal of bulk items and to find out the fee for this service. All garbage bags must be placed in the totes.

The DPW Dept. will be picking up brush and sticks regularly throughout the summer. They will NOT pick up grass clippings and garden waste. Those can be taken to the brush dump on Jackson Drive.

Home Owners Mosquito Prevention

Tips:

- Get rid of old tires, cans, pails, and other water-holding containers or store them upside down.
- Drain water from tarps or plastic sheeting.
- Keep eave troughs clean of leaves and debris.
- Empty plastic wading pools at least once a week and store them inside when not in use or upside down
- Keep boats/canoes covered or upside down.
- Keep grass cut short and shrubbery well-trimmed. Piles of old wood and brush should also be cleaned up.

The Village actively sprays for mosquitoes. Unfortunately a lot depends on wind conditions. We typically spray at dusk when the mosquitoes are most active.

To reserve the pavilion at either park and to get keys to the bathrooms for Cheney park contact the Village office @ 767-4204. Electricity is available at both and a porta potty will be available at Durham.

May 8th the Village water dept. will begin hydrant flushing and be completed by May 12th.

During this time your water may be slightly cloudy in appearance and you may notice slight pressure drops. We do this twice a year to help clean out the pipes and move fresh water through the system. In the fall we chlorinate to add a level of disinfection to flushing. If you have any questions please contact Gary or Andy at 517-767-4288.

The Memorial Day Parade is May 29th. The parade starts at 10:00 am with line up for the parade at 9:30 on Railroad Street.

Music in the park entertainment runs from 6-7:00 and the dates are: May 21st, June 11th, July 16th, August 20th and September 24th. With August 20th scheduled for Church in the Park. Service at 10:00. Followed by a chicken dinner. All dates will have available refreshments.
